

Industrial Solar Panel Petition: Fort Gratiot Charter Township

We are asking the Fort Gratiot Township Board of Trustees, Planning and Zoning Boards to deny or postpone decisions on applications of use and land that would allow for industrial solar facilities in Fort Gratiot Township. We are asking that the Trustees, Planning and Zoning boards preserve our township's agriculture setting.

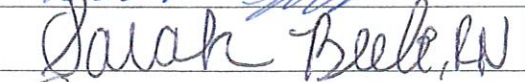

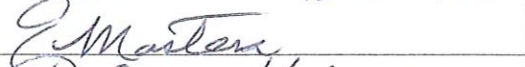

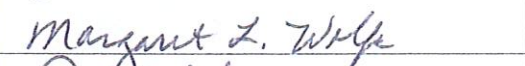

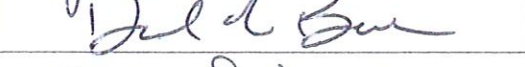

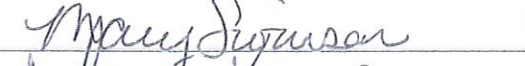

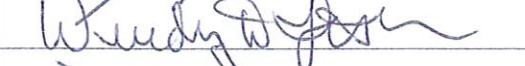

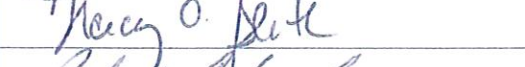

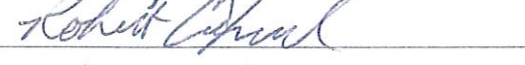

We are also asking that our current industrial solar energy ordinances be reviewed with ample time and consideration to allow for public input and participation to protect residents in the future if industrial solar energy is to be considered in Fort Gratiot Charter Township.

Industrial Solar Panel Petition: Fort Gratiot Charter Township

We are asking the Fort Gratiot Township Board of Trustees, Planning and Zoning Boards to deny or postpone decisions on applications of use and land that would allow for industrial solar facilities in Fort Gratiot Township. We are asking that the Trustees, Planning and Zoning boards preserve our township's agriculture setting.

We are also asking that our current industrial solar energy ordinances be reviewed with ample time and consideration to allow for public input and participation to protect residents in the future if industrial solar energy is to be considered in Fort Gratiot Charter Township.
